FROM ORCHARD TO ORIGINAL

Markon's Ready-Set-Serve[®] (RSS) Fruit Juices are available in a variety of types and flavors to suit all of your culinary needs. Our premium, ready-to-use juices never contain artificial preservatives or flavors, and are gently pasteurized for safety. Because with Markon, you not only get premium farm-to-table produce, you'll also get inspiration, innovation, and transparency. All so you can do what you do best.

MENU INSPIRATION

Ready-Set-Serve Lemonade adds flavor to your alcoholic and non-alcoholic drink menus.

HANDLING

Refrigerate immediately in the coldest area of the cooler; optimum storage is 28°-34° F/-2°-1° C at high humidity with adequate circulation. Rotate stock properly.

READY-SET-SERVE FRUIT JUICES

BENEFITS

Minimally-processed, Markon Ready-Set-Serve Fruit Juices are always backed by Markon's 5-Star Food Safety® Program. Look for them packed in HDPE unbreakable bottles and our eco-friendly recyclable, wax- and staple-free cartons.

PREPARATION INSPIRATION

- Use RSS Lemon and Lime Juices to flavor cocktails, enhance marinades and sauces, and give complexity to chutneys and salsas.
- Serve RSS Orange and Grapefruit Juices with breakfast and brunch dishes, add to smoothies and other beverages, and use to deglaze fish and vegetable sautés.
- RSS Lemonade and Margarita Mix make great stand-alone beverages, but can also be blended with iced tea, macerated fruits (think citrus and berries), and frozen into sorbets and granitas.
- Mix softened butter, RSS Lime Juice, lime zest, salt, minced Serrano chile peppers, and RSS Diced Onions; add to broiled fish such as trout or slather corn on the cob.
