

# READY-SET-SERVE: LABOR-SAVINGS, QUALITY, SAFETY

## WHAT IS READY-SET-SERVE?

Ready-to-use, innovative, and economical, Ready-Set-Serve is a full line of fresh fruits, vegetables, and juices that takes prep work out of the kitchen and allows chefs to focus on flavor and creativity. Reliable and delicious, each of these products satisfies our high specifications, such as:

- Consistent plate presentation
- Time and labor savings
- Reduced waste/disposal costs
- Backed by Markon's 5-Star Food Safety® Program

## Lightly Prepped Items

Within Markon's innovative and economical Ready-Set-Serve line of fresh produce is a list of lightly prepped, ready-to-use items that eliminate tedious kitchen labor such as washing and trimming, so you can get down to the business of being creative.

- Broccoli Crowns
- Brussels Sprouts
- Green Leaf Fillets
- Kale, Green & Flowering, Washed & Trimmed
- Onions, Whole Peeled
- Spinach, Triple-Washed
- And more...
