

## MARKON ESSENTIALS: VALUE, QUALITY, AND SAFETY

### WHAT IS MARKON ESSENTIALS?

Our value line, Markon Essentials, includes the integral ingredients your kitchen can't do without, including bell peppers, citrus, cucumbers, mushrooms, onions, potatoes, and tomatoes. The main focus is value—yet we pack quality, food safety, sustainability, and consistency in every box.

Together these key items form the backbone of any menu, so you need a consistent, dependable supply with year-round availability that fits your budget. That's why Markon created this line of practical produce for you, ideal when external appearance is not important, but flavor is.

- Backed by Markon's 5-Star Food Safety<sup>®</sup> Program—just like our Markon First Crop<sup>®</sup> and Ready-Set-Serve<sup>®</sup> brands.
- Created for budget-conscious chefs and operators.
- Allows for year-round menu planning and cost control.
- Packed in eco-friendly recyclable, wax- and staple-free cartons.
